**Student Details**

Thank you to all those families who have returned updated emergency contact details for students (blue form). As you can imagine, it is extremely important that we have current information recorded at school in the event of an emergency. Most students have also returned the consent form that was sent home (white form) at the same time although a few are still outstanding. The consent form covers all excursions within walking distance of the school such as a visit to the local library or to sporting fields for carnivals. If you have not returned either of these, could you do so as soon as possible. If you require another copy please contact the office.

**URGENT – HELP REQUIRED**

The school canteen is in desperate need of some more volunteer helpers. If you have some free time on Wednesdays or Fridays, we would love to see you. Please contact the school office if you are available.
Year 7 2014 Expressions of Interest
All Year 6 students were given these forms to take home today. Please return them to Mrs Mooring by Monday 18th March.

Schoolboy’s Carnival
The Group 21 Schoolboy’s Carnival will be held this Sunday 17th March at Scone. Good luck to our two teams playing, the U9’s and U11’s.

If you have not provided this information to the office, please do so. Your child will not be able to participate on the day if this requirement has not been met.
