Aberdeen Highland Games
The response to my request to help with this has been very positive, thank you. However, I could still use more help manning the stall. Any help you are prepared to give would be appreciated. Please fill in the note on the back of this newsletter and return it to school as soon as possible.

Changes to Travel Arrangements
Please notify the school if your child’s regular mode of transport home from school changes. This information enables us to better support your child.

Reporting Student Progress to Parents and Carers
We know that parents and carers place a higher priority on receiving information about their children's progress than any other type of information they receive from schools. Our parents and carers express a high degree of satisfaction with the information that they currently receive. Like all public schools, Aberdeen Public School parents receive two written reports annually from their child’s class teacher/s. The reporting to parents’ format at Aberdeen Public School consists of:

- Two written reports annually; the end of Term 2 and Term 4.
- Scheduled teacher and parent interviews at the end of Term 1 and Term 3.
- Parents can request an interview at any time by contacting the school office.
- Teachers will contact parents at any time throughout the year if needed.

Our teachers are in the process of writing student reports. These reports will be sent home in Week 9 (week commencing 24th June).

If you have any suggestions on how we can improve this process please let me know.

Michelle Floyd - Principal

P&C Meeting
Our next meeting will be held Wednesday 19th June at 6:30pm in the school library. Child care is provided.

Gymnastics
We have completed 5 weeks of the 10 week Gymnastic program. The 2nd instalment of $18 is required if you wish your child to continue participating in this worthwhile program. Please send in your money by Thursday 6th June.

Scone High School Orientation Day
Year 6 students are invited to Scone High School for the second of our Orientation Days to help prepare for Year 7 2014 on Wednesday 5th June 2013 from 9.30am-1pm.

Woolworths Earn & Learn
Aberdeen Public School is collecting Woolworths Earn & Learn stickers. Be sure to ask for your stickers when you shop at Woolworths. The more you collect the more educational equipment for Aberdeen School.

Library News

Library Monitors – There is a need for reliable helpers to work in the library at lunch time, putting books away and tidying up the shelves. If you are in year 5 or 6 and are interested in helping could you please come and see me in the library.

Premiers Reading Challenge – We will be starting this week. Kindergarten and year 1 students will have their books recorded for them and the students from 2 – 6 will be able to record their books at library time. Last year the participation was very low, so I will be expecting an improvement in the number of students who complete the challenge this year.

P.I.P Project – Thank you to the year 6 students who completed the P.I.P Project in term 1. I was very impressed with the effort made by this group of students. The work presented was of a high standard and the commitment each one made to presenting a terrific piece of work.

Anzac Day Committee Donation – Once again the Aberdeen Anzac Day Committee have donated 2 beautiful books to our school library in memory of a soldier. This year the books donated are:

Light Horse Boy by Dianne Wolfer – donated in memory of Harry Burrows

Anzac Biscuits by Phil Cummings – donated in memory of Michael John Roughan
